Senior Parents/Guardians,

This year, we are putting together senior recognition ads for our yearbook. If you would like to send your child off to college with inspirational words, now is your chance. If you would like to purchase an ad, the cost is going to be \$45 for one picture and \$75 for two pictures. Also, when you send the money, we will need a baby picture/senior picture to accompany your message.

The deadline for this will be January 8th, 2019.

We will also have a senior collage page in the yearbook containing all the Senior Portraits. In order to do this, we will need a senior picture of your child. (Even if you decide not to purchase an ad, we will still need this picture.) **Deadline for this will also be January 8th, 2019.**

If you have any questions, please contact the yearbook advisor, Cherie Witt.
