AUGUST 2019 NEWSLETTER

Success through Excellence: Everyone, Everywhere, Everyday

A NOTE FROM MR. HANSEN

Welcome to a new year at Southeast Junior High! We had a great first week and I was happy to meet many parents and students at our Open House. This last week we were able to pass out Chromebooks to our students and many teachers led "get to know you" activities. I plan to publish a newsletter once a month to update on the things that are happening at the Junior High. I hope you find this resourceful and please feel free to let me know if you want to see something added. I am looking forward to a great year!

CHROMEBOOKS

Chromebooks were distributed to students this week. Please remind your children they are responsible for keeping them in good working order and they are also responsible for the content they search. We want these devices to enhance the learning experience for our students, not hinder it.
