

Cherokee Little League Response to Covid-19

This document will provide the plans and procedures for Cherokee Little League in response to the Coronavirus pandemic.

The health of our members and volunteers are our first priority. We are going to be taking cautious steps in order to move past this inconvenient time.

We are following the recommendations provided by Little League International, KDHE and Crawford County Health Department (these are everchanging). Below are the new guidelines regarding this season at Cherokee Little League.

Players

- All players are required to have their own helmet in order to practice and play games.
- Players drinks need to be marked with their name to avoid accidental sharing. Sharpies will be provided at the concession stand for marking drinks.
- Dugouts will be altered to adhere to social distancing.

Social Distancing Guidelines

- It is encouraged that everyone bring their own lawn chairs. There is plenty of space around both fields to practice social distancing.
- The grandstands will be open for seating, but space will be limited.
- Schedules will be adjusted to avoid a large number of people at the park at one time.
- Hand sanitizing stations will be provided throughout the park for your use.

Concessions

- Concession will follow Crawford County Health Department guidelines.
- Concession stand workers will be wearing gloves and masks at all times.

Ultimately, it is the decision of the parent/guardian of the child in regard to playing this season. We understand the concern and we want you to do what is best for your family through this time. If you decide to not play this season, please contact Jeff Burns with the information provided below by May 18, 2020.

Please contact Jeff Burns or the Cherokee Little League Facebook page if you have any questions regarding our new guidelines for this season. This is a transition time for everyone. Our goal is to keep everyone safe while allowing our children to have an enjoyable experience at Cherokee Little League. Play Ball!

Sincerely,

Jeff Burns
President of Cherokee Little League
