

Erie High School Athletic Procedures

As we prepare for home activities for the 2020-21 school year, the USD 101 School District has adopted the following policies, guidelines and safety protocols.

These guidelines are:

- **Face coverings/masks will be required at all USD 101 Events.**
- Temperature checks will be taken upon entry to all events. Anyone with a fever of 100.4 or above, will not be allowed entry.
- At all events, please practice social distancing as much as possible. We recommend households sit together and that parents keep their children with them in the bleachers, under direct supervision.
- Concessions will be available, but please practice social distancing while in the concession lines.
- For the safety of student athletes and yourself, there will be no personal contact with participants at the conclusion of events. Please do not enter the playing area, field or court.
- Public Access Restrooms will be available at all events. Please practice social distancing, hygiene recommendations and masking policies while using the restroom facilities.

KSHSAA Activities Risk Mitigation Considerations/Procedures will be followed to the extent practical in our facilities and in those of our league schools.

Spectator Seating- The facilities will be divided into separate sections when possible, to help mitigate virus transmission risk between home and visitor spectators.

HS Volleyball Procedures:

- Admissions: All spectators will enter the main entrance
- Seating: Auxiliary Gym- visitors will sit on the south end, home patrons will sit on the north end.
Main Gym- visitors will sit in the east bleachers. Home patrons will sit in the west bleachers.
- Concessions: There will be one concession stand available. Please practice social distancing, proper hygiene and masking protocols. Concessions will be available.

HS Football Procedures

- Admissions: There will be one gate at the southwest gate, but please practice social distancing. .
- Seating: Home patrons will sit in the west bleachers. Visitors will sit in the east bleachers.
- Restrooms: All attendees will use the concessions area restrooms. Please practice social distancing, proper hygiene and masking protocols.
- Concessions: There will be one concession stand available. Please practice social distancing, proper hygiene and masking protocols. Concessions will be available.

Please note that we have no jurisdiction over other counties and school districts. Fans should be prepared to comply with the hosting district's regulations. We will do our best to communicate those regulations to you on what to expect at away competitions. We greatly appreciate your willingness to do what it takes for the safety of all student participants, so they have the opportunity to showcase their talents and abilities.

Thank you,

Noah Francis
